

# WELCOME!

Village Childcare is located in the Boise district of Portland at 3508 N. Michigan Ave. Our childcare program offers an infant program (6 weeks - 24 months), a toddler program (24 months - 36+ months) and a Preschool program (37 months - 5 years).

Our Preschool Promise program hours are Monday through Friday, 8:30AM - 3:00PM. To help maintain the structure of the children's day and to make sure they are able to participate in activities, we ask that all children be dropped off on or before 9:00AM.

Village Childcare offers before care (starting at 7:30AM) and after care (3:00PM - 5:30PM) to Preschool Promise families, if needed. Please inquire for more information.

An orientation and tour of our center is required prior to enrollment. In-person tours occur the 2nd Saturday of every month from 12:00PM - 1:00PM. Virtual tours are offered the first and third Wednesday of every month from 4:30PM - 5:30PM.
