OVERVIEW:

At Pequeñitos Child Care we believe that each child is unique and independent. Their abilities and skills are innate to everyone, therefore their own way of learning is also distinct. We want to provide your child with the best early childhood development and education where they can reach the highest level of social, emotional evolution from the following areas:

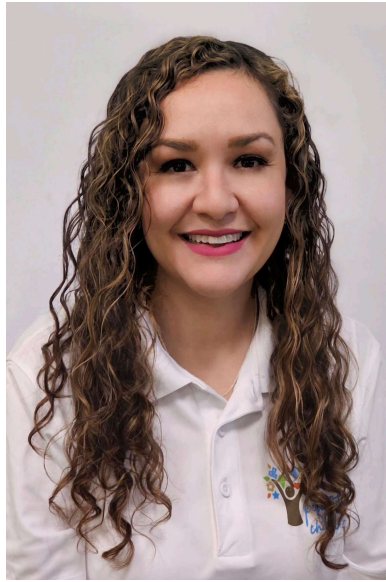

1. Learning and Development
2. Health and Safety
3. Family Bond

Pequeñitos Child Care uses The Creative Curriculum for Preschool Education. The authors of Creative Curriculum say: **“The Creative Curriculum for Preschool Education is a comprehensive collection of resources designed to increase knowledge and resources for daily practice, explaining the “what”, the “why” and the “how”.**” Of teaching. This curriculum supports teachers to create meaningful and engaging activities and memorable experiences on a daily Basis.
